STATE WILL BUILD ELEVEN-MILE ROAD
Salt Lake, Sept. 11.—At a conference yesterday of the county commissioners of Sevier county and the state road commission, a decision was reached to build a road through Sevier canyon from the town of Sevier in Sevier county to Marysville in Piute county. The road will be eleven miles in length and will supplant the present road, which goes over a divide between the two counties that makes anything but a steep grade impossible because of its location. The new road will follow the grade of the river and will have no steep places in it.
